Chesapeake Watershed Forum

November 17 - 19, 2006

Announcing the First Annual Chesapeake Watershed Forum
"From Planning to Implementation"

Chesapeake Watershed Forum
November 17-19, 2006
U.S. Fish & Wildlife National Training Center
Shepherdstown, West Virginia

Don't miss this opportunity to keep your watershed organization or local government on top of the best management practices, emerging issues, scientific techniques and organizational capacity building skills.

Join us to celebrate the diversity of the Chesapeake watershed with workshops, forums, field trips, networking and social activities.

For more information contact Alliance for the Chesapeake Bay:
717-737-8622, ext. 13, acbpa@acb-online.org
